#REACHTOGETHER

Sponsor & Exhibitor Opportunities

REACH Together is an uplifting and impactful initiative hosted by Walk Right In Ministries in support of caregivers and their families impacted by disability.

This year, the REACH Together season kicks off on October 11th with our 5th annual REACH Party. We are celebrating the caregiving experience, building awareness and inviting the community to join us in coming alongside families with Gospel hope and wellness support. Together, we're giving voice to stories that encourage, build faith and shine Light on the power of belonging.

WRIM helps caregivers in families impacted by disability to walk abundantly in life, faith and relationships. Families find online support groups and family counseling that is relatable, reliable, credible, financially accessible, and aligned with their values. All Walk Right In services are provided for caregivers by caregivers and offered on a pay-as-you're-able basis. *No family is ever turned away.*

As we reach families nationally and globally, we rely on mission partners to help tell life lifting stories and keep resources accessible. The 2025 REACH Party aims to raise at least $20K in caregiver scholarships and fund other projects aimed at reaching more families.

We are grateful to God for donors, corporate sponsors and mission partners who entrust resources and stand with WRIM in vision, prayer and financial partnership.

Thank you for helping us extend hope and wellness because when caregivers are thriving, whole families are strengthened!
